

# Safety Guidelines

## Summer 2020

- No cash will be accepted at the snack shack, all payments will have to go through member accounts.
- Members will have to sign in with the lifeguard when entering the pool. Guests are allowed at \$5 per person.
- The snack shack will only be stocking candy and ice cream, at least at the beginning of the summer. We will not be grilling or doing microwave food, and we will also not have slushies.
- We would ask that you not move chairs, as they are spread at 6 foot distances, we will do our best to accommodate families.
- There is also the possibility that the pool will become too crowded to safely social distance, which may force us to not allow anymore guests into the pool. We do not anticipate this being a problem, but the front desk will be notified immediately if it looks like the pool is becoming too crowded.
